PATTERN NOTES

Check out our Knit-a-long Extravaganza video for tips on using working relief stitches, or twisted stitches.

This block is an introduction to working twisted stitches. In this week's video, we demonstrate how to work a Right Twist (RT) and a Left Twist (LT). There are a variety of ways to achieve these stitches, but we show you our favorite. Be sure to check out the next block in the twisted stitches series for more fun ways to do relief knitting!

STITCH GUIDE

Right Twist (RT): K2tog, but do not remove the st from the left ndl yet; knit the first st again, and slip both sts from the left ndl.

Left Twist (LT): Skip the first st on the left ndl and knit the second st through the back loop from behind the work, now knit the first st on the left ndl through the front loop and slip both stitches from the left ndl.
