PATTERN NOTES

Lofty is an ultra-soft, squishy rug that's perfect anywhere in your home. We like it beside the bed so that it's the first thing your feet touch when you wake up each morning. It's simple to modify this pattern to create a larger rug – just add additional pattern repeats.

The stitch pattern used for this rug is very unique. You can find an excellent video tutorial on it [here \(link\)](#).

STITCH GUIDE

Spring Stitch

Insert ndl into st as if to knit, wrap yarn around *both* ndls counter-clockwise 10 times. Knit through and off ndl, unraveling spring coil along yarn tail. Cinch the spring coil by tugging yarn tail.
