## PATTERN NOTES

The fun print on Uptown Super Bulky Amplify does all of the work in this scarf – well, almost! A contrasting seed stitch border is worked in Amplify's solid counterpart, Uptown Super Bulky.

Color changes between MC and CC are achieved with the intarsia method. Use separate pieces of CC for each side of the seed stitch border. When changing between yarns, bring the new strand up and around the old strand putting a single twist between the strands, preventing any holes from forming in the work.
