PATTERN NOTES

Ribbing indubitably is the perfect stitch pattern when you want something to fit incredibly well. However much we love the way ribbing fits, it can occasionally feel mundane to knit. The Sea Socks are ribbed but have an elongated Honeycomb pattern that make them as fun to knit as they are to wear. These stretchy ribbed socks are knit in the round from the top down with a heel flap and gusset. The heel flap is worked with slipped stitches to ensure long-lasting wear.
