

RICCI STUDIO

FOREST GOSSAMER

SQ9971564

These hand-painted wallpapers are quite resilient, though proper care is important. For cleaning, they may be wiped carefully with a slightly damp cloth or dusted. Please test any cleaning method in a discrete area first. Abrasives should not be used. Subtle differences in tone, color, or brushstroke are characteristics of hand-crafted wallpaper and should not be considered a defect.

STANDARD

Hand-Painted

GROUND

Heavy-duty 20oz smooth vinyl
