Payment Contract

**Once classes have begun, there will be a 2 week "add-drop" period. After that date, I will be expected to make contracted payments through the end of the semester. If my student is unable to complete a class during the semester for which he/she has registered, those funds can be used for "HUB" credit, and applied to private tutoring or homework help. Once payment has been made, even if made in advance, FUNDS ARE NON-REFUNDABLE. Payments received after the 5<sup>th</sup> will be considered late, and are subject to a 10% late fee.**

I understand that if payment is not received by the 5<sup>th</sup> day of the month that my student may not attend class until payment is rendered. If payment is not made, student will be disenrolled from the class. Cancellation Policy: I agree to notify The HUB within 30 days before the semester start date should I choose not to have my student begin classes. I understand that any registration or lab fees paid are non-refundable even if my student does not start classes at The HUB.
