

OUR "WHY"

We believe that the world needs

more laughter, joy, care, creativity, connection, substance & mindfulness.

We are uniquely good at creating

mixable bath & body products that awaken the senses.

We are passionate about

creating products that children love AND parents feel good about using.

ABOUT US

Dabble & Dollop was founded in 2019 by Stephanie Leshney, a natural ingredient industry veteran, and mother of three. Dabble & Dollop aims to inspire joy, creativity, and connection through uniquely mixable bathing product experiences. Dabble Ducky, the company's infant and eczema-prone skin line, was launched in 2022 to specifically address the needs of the most delicate skin types.

INGREDIENT QUALITY

INGREDIENT QUALITY is the #1 factor parents consider when selecting products for their family. Dabble & Dollop's expertise in natural ingredients means unmatched experience sourcing the highest quality ingredients from around the world. Parents can trust that Dabble & Dollop will only use the best, cleanest, most sustainably produced ingredients in all its products.

PROUDLY MADE IN THE USA

SINCE INCEPTION

Every Ingredient

Every Bottle

All Packaging Manufacturing

Not many brands (if any) can make a USA Made claim.

We Can.

Support local economies. Ensure the highest safety & quality. Ethical labor practices. Reduction of environmental impact with co-located supply chain. Ability to scale quickly.
