

PLUG & PLAY PUMP KIT

PUMP 240V AC KIT 100LPM

DT1004JAUS

Plug and Play Pump Kit for use with Self Bunded Tanks, Single Wall Tanks and Drums.

Designed and manufactured by Adam Pump, a Piusi Group Company, in Italy. The PA2 240V 100lpm Pump from GO Industrial features a self-ventilated, single phase, continuous duty motor with IP55 protection, class F insulation and thermal overload protection engineered into the electric motor. This kit comprises the following:

- SUCTION SPEAR - Telescopic Suction Spear and Drum / Tank Adaptor,
- PUMP - 240V AC 100lpm PA2 Pump,
- FILTER - FT10XA Particulate / Water Filter with pressure gauge,
- METER - 4 Digit Mechanical Meter,
- HOSE - 6m x 25mm ID Hose Scr Male BSP Ends,
- SWIVEL - Dual Plane Swivel,
- NOZZLE - Auto Shut Off Nozzle

PUMP FEATURES

- 240V AC - 4.1 amp
- Package dimension 290mm x 190mm x 250mm
- Weight 13.5kg
- Self-priming vane pump
- cast iron body
- sintered steel impeller
- acetal resin vanes
- integrated by-pass valve
- integrated stainless steel filter
- easily accessible ON-OFF switch
- self-ventilated single phase motor
- IP55 protection
- class F insulation
- thermal overload protection engineered into the electric motor
- flow rate 100 l/min
- thermal overload protection engineered into the electric motor
- input/output 1" F BSP
- suitable for use with diesel fuel
- continuous duty design
