

## The cool gadgets list - April 2018

*Spring is finally here - and so is the new tech. Here are some of the best gadgets and gizmos that have turned our heads this April.*

25th April 2018

### Nomadic Bluetooth speaker and suitcase

Decisions, decisions. Do you pack a portable Bluetooth speaker, with 6" x 4" woofers and two 19mm tweeters, 20-hours battery life and high-end sound in your suitcase or not? Would it make that decision any easier if you knew the speaker could actually slot into your luxury suitcase, combining to form a, well, suitcase-sized boom box for your travels? Decision made!
