7HT™ ADJUSTABLE POWER BASE

A premium power base, with many comfort features including our new head tilt.
An outstanding combination of luxury and technology.

Full adjustability plus head tilt. Get your head, knees and feet in comfy positions, then tweak a bit more with our adjustable head tilt to perfectly support your neck. Great for reading or watching tv. Helps relieve acid reflux and sore backs.

Soothing massage nightly. Reverie's proprietary 3D-Wave™ massage advances the level of furniture massage by leaps and bounds. Four wave modes, 10 intensity levels, whisper quiet.

According to a recent study at a major university, people who used Reverie 3D-Wave massage at bedtime for 30 minutes woke up happier and reported feeling more alert throughout the day. More info at reverie.com.

Bluetooth® remote plus Nightstand™ app. Remote with two programmable positions plus presets including Anti-Snore, Zero Gravity and Flat. Or operate the bed from your smartphone using our Nightstand app for even more control. Save all your favorite settings including massage. Program the head of the bed to rise to wake you.

Premium design features. Pulls closer to the wall when the head of the bed moves. Gorgeous grey, hard-body side rails with tapered modular legs. Rails are removable for tucking inside most modern bed frames.
