**ENG** Attention! **UKR** Увага! **DEU** Achtung! **FRA** Attention!  
**POL** Uwaga! **ESP** Atención! **ITA** Attenzione!

**ENG** Do not set fire to it! **UKR** Не підпалювати! **DEU** Nicht anzünden! **FRA** Ne pas allumer!  
**POL** Nie podpalaj! **ESP** No prender fuego! **ITA** Non dare fuoco!

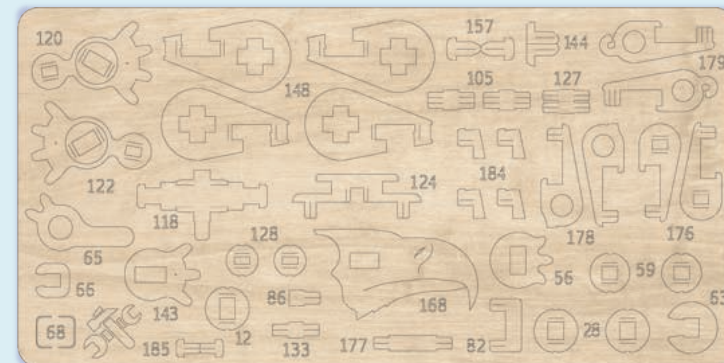

**ENG** Caution! Sharp parts! **UKR** Обережно! Гострі деталі! **DEU** Vorsichtig! Scharfe Details!  
**FRA** Attention! Détails tranchants! **POL** Uwaga! Ostre szczegóły! **ESP** Cuidado! Piezas cortantes! **ITA** Attenzione! Dettagli nitidi!

**ENG** Recommendation: if you have difficulty in connecting parts, treat toothpicks with paraffin. **UKR** Рекомендація: якщо виникли складнощі при скріпленні деталей, обробіть зубочистки парафіном. **DEU** Empfehlung: Wenn Sie Schwierigkeiten haben, Teile zu verbinden, behandeln Sie Zahnstocher mit Paraffin. **FRA** Recommendation: si vous avez des difficultés pièces de fixation, traitez les cure-dents avec de la paraffine. **POL** Zalecenie: jeśli masz trudności z połączeniem części, obsługiwać wykałaczki parafiną. **ESP** Recomendación: si tiene dificultades para fijar piezas, trate mondadientes con parafina. **ITA** Raccomandazione: in caso di difficoltà nel fissare le parti, trattare gli stuzzicadenti con paraffina.

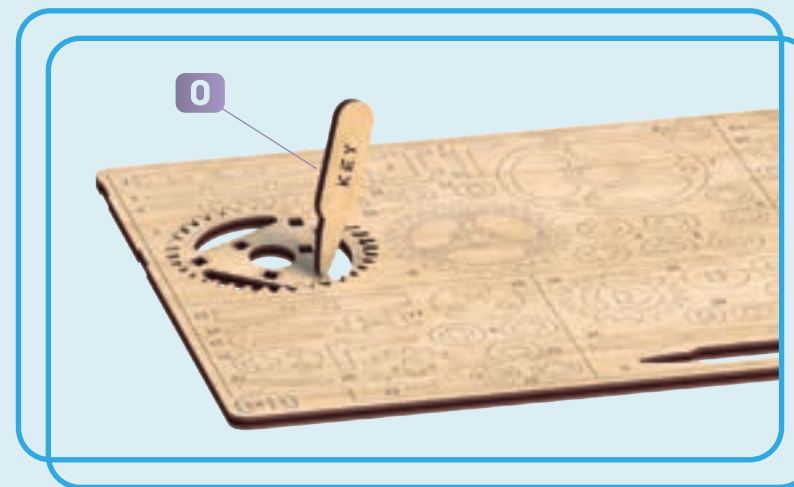

**ENG** The assembling of constructor does not require to use glue. **UKR** Конструктор не вимагає застосування клею. **DEU** Für die Montage des Konstruktors ist kein Klebstoff erforderlich. **FRA** Aucune colle n'est nécessaire pour monter le constructeur. **POL** Montaż konstruktora odbywa się bez kleju. **ESP** El montaje constructor no requiere el uso de pegamento. **ITA** L'assemblaggio non richiede l'uso di colla.

**ENG** Fragile details! Be careful when removing the constructor from the card! **UKR** Крихкі деталі! Під час вилучення конструктора з карти будьте обережні! **DEU** Zerbrechliche Details! Seien Sie vorsichtig, wenn Sie den Konstruktor von der Karte entfernen! **FRA** Détails fragiles! Faites attention en retirant les éléments de la construction de la carte! **POL** Krucho szczegóły! Przedmioty należy wyjmować z karty ostrożnie! **ESP** Detalles frágiles! Sea prudente al sacar elementos de mecano del tarjeta! **ITA** Dettagli fragili! Gli elementi vanno estratti dalla scheda con cautela!

**ENG** All elements that interlock must be sanded with sandpaper and greased with paraffin. **UKR** Всі елементи, що входять у зачеплення необхідно зачистити наждачним папером і змастити парафіном. **DEU** Alle eingreifenden Teile müssen mit Sandpapier gereinigt und mit Paraffin eingefettet werden. **FRA** Il faut nettoyer tous les éléments de l'accrochage à l'aide du papier-meri et les traiter avec de la paraffine. **POL** Wszystkie zaczepione elementy należy oczyścić papierem ściernym i nasmarować parafiną. **ESP** Todos los elementos que se enganchan deben limpiarse con papel de lija y engrasarse con parafina. **ITA** Tutti gli elementi agganciati devono essere puliti con carta vetrata e ingrassati con paraffina.

**ENG** Spare parts. **UKR** Запасні деталі. **DEU** Ersatzteile. **FRA** Pièces de rechange. **POL** Części zamienne. **ESP** Repuestos. **ITA** Pezzi di ricambio.

**ENG** Auxiliary tool for assembling or measuring distances. **UKR** Допоміжний інструмент для збірки або вимірювання відстаней. **DEU** Hilfswerkzeug zum Montieren oder Messen von Abständen. **FRA** Outil auxiliaire pour assembler ou mesurer des distances. **POL** Narzędzie pomocnicze do montażu lub pomiaru odległości. **ESP** Herramienta auxiliar para ensamblar o medir distancias. **ITA** Strumento ausiliario per l'assemblaggio o la misurazione delle distanze.

**ENG** Remove burrs. **UKR** Видалити задирки. **DEU** Niednägel entfernen. **FRA** Enlever les bavures. **POL** Usuń zadziory. **ESP** Quitar rebabas. **ITA** Eliminare le bave.

**ENG** Note! **UKR** Звернути увагу! **DEU** Aufgepasst! **FRA** Faites attention! **POL** Uwaga! **ESP** ¡Presta atención! **ITA** Presta attenzione!

**ENG** Break off from both sides. **UKR** Обламати з двох сторін. **DEU** Beideseitig hinbiegen. **FRA** Épointer de deux côtés. **POL** Obtamaj z dwu stron. **ESP** Romper de dos lados. **ITA** Spezzare su entrambi i lati.

**ENG** Cut off a toothpick. **UKR** Відрізати зубчикстку. **DEU** Den Stocher abscheiden. **FRA** Couper la cure-dent. **POL** Odetniż wykałaczkę. **ESP** Cortar el mondadientes. **ITA** Kürdani kes.

**ENG** Assembly in mirror reflection. **UKR** Збірка в дзеркальному відображенні. **DEU** Montage in spiegelreflexion. **FRA** Assemblage en réflexion spéculaire. **POL** Montaż w odbiciu lustrzanym. **ESP** Montaje en reflexión especular. **ITA** Assemblaggio in riflessione speculare.

**ENG** Lubricate with paraffin. **UKR** Змастити парафіном. **DEU** Mit dem Paraffin schmieren. **FRA** Lubrifier à la paraffine. **POL** Nasmaruj parafiną. **ESP** Lubricar con parafina. **ITA** Lubrificare con paraffina.

**ENG** Design kit can be tightly connected in some places, so that the assembled model has solidity and reliability. We recommend using pliers and box cutter for a more convenient design kit assembly. **UKR** Конструктор може в деяких місцях туго з'єднатися, для того, щоб зібрана модель мала міцність та надійність. Для більш зручної збірки конструктора, рекомендуємо використовувати плоскогубці та канцелярський ніж. **DEU** Der Konstruktor kann an einigen Stellen keine gute Verbindung herstellen, so daß das zusammengebaute Modell eine ausreichende Festigkeit und Zuverlässigkeit aufweist. Für eine bequemere Montage des Konstrukteurs empfehlen wir die Verwendung einer Zange und eines Schreibwarenmessers. **FRA** Le jeu de construction peut être étroitement connecté à certains endroits, pour que le modèle assemblé soit solide et fiable. Pour un assemblage plus pratique de jeu de construction, nous vous recommandons d'utiliser une pince et un couteau à papeterie. **POL** Le jeu de construction peut être étroitement connecté à certains endroits, pour que le modèle assemblé soit solide et fiable. Pour un assemblage plus pratique de jeu de construction, nous vous recommandons d'utiliser une pince et un couteau à papeterie. **ESP** Le jeu de construction peut être étroitement connecté à certains endroits, pour que le modèle assemblé soit solide et fiable. Pour un assemblage plus pratique de jeu de construction, nous vous recommandons d'utiliser une pince et un couteau à papeterie. **ITA** Le jeu de construction peut être étroitement connecté à certains endroits, pour que le modèle assemblé soit solide et fiable. Pour un assemblage plus pratique de jeu de construction, nous vous recommandons d'utiliser une pince et un couteau à papeterie.

**ENG** Warning! For the correct operation of this model, it is necessary to clean carefully and to lubricate all rubbing parts with paraffin during assembly. All mechanisms must rotate freely. **UKR** Увага! Для коректної роботи даної моделі, необхідно при збірці ретельно зачищати, змащувати парафіном усі деталі, які труться. Усі механізми повинні вільно обертатися. **DEU** Hinweis! Für einen korrekten Betrieb dieses Modells ist bei dem Zusammenbau erforderlich, alle Reibteile sorgfältig auszuschrubeln und mit Paraffin zu schmieren. Alle Bauteile sollen sich frei drehen. **FRA** Attention ! Pour le bon fonctionnement de ce modèle, il est nécessaire lors du montage de nettoyer et lubrifier soigneusement toutes les pièces à friction avec de la paraffine. Tous les mécanismes doivent tourner librement. **POL** Uwaga! Aby ten model działał prawidłowo, podczas montażu wszystkie detale trące muszą być dokładnie oczyszczone i nasmarowane parafiną. Wszystkie mechanizmy muszą się swobodnie obracać. **ESP** ¡Atención! Para el funcionamiento adecuado de este modelo a la hora de ensamblaje se recomienda alisar y lubricar cuidadosamente con parafina todos los detalles frotantes. Todos los mecanismos deben girar libremente. **ITA** Attenzione! Per il corretto funzionamento di questo modello, durante il montaggio, è necessario pulire e lubrificare accuratamente tutte le parti di sfregamento con paraffina. Tutti i meccanismi devono ruotare liberamente.

**ENG** Little rubber band. **UKR** Маленька резинка. **DEU** Kleines Gummiband. **FRA** Petit élastique. **POL** Mała gumka. **ESP** De goma pequeña. **ITA** Piccola gomma.

**ENG** Wide rubber band. **UKR** Широка резинка. **DEU** Breites Gummiband. **FRA** Large bande élastique. **POL** Szeroka gumka. **ESP** Banda de goma ancha. **ITA** Ampio elastico.

**ENG** Large rubber band. **UKR** Велика резинка. **DEU** Großes Gummiband. **FRA** Grand élastique. **POL** Duża gumka. **ESP** Tira de goma grande. **ITA** Gomma grande.

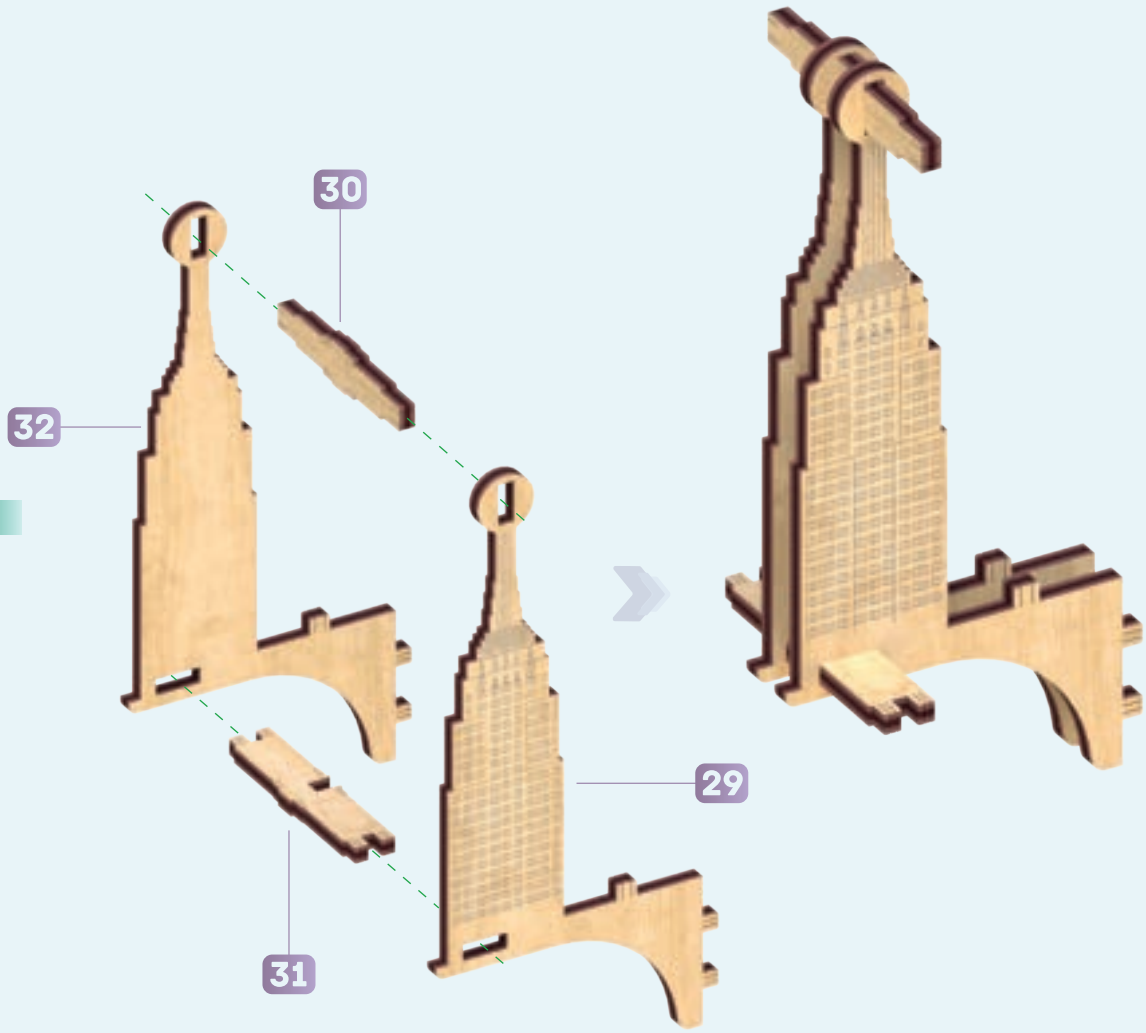

**ENG** Assembly is completed. **UKR** Збірка закінчена. **DEU** Montage abgeschlossen. **FRA** Assemblée terminée. **POL** Montaż zakończony. **ESP** Ensamblaje completada. **ITA** L'assemblaggio è finito.

# FEEL THE BREEZE OF FREEDOM...

New York and the Eagle are important symbols for the USA because the first is the largest city in the United States of America, and the Eagle is a symbol of freedom. New York has always attracted seekers of fame, full of hopes for a successful life. We admire this incredible city, so we created our 3D wooden model of Liberty Eagle by WoodTrick!

## EAGLE - THE KING OF THE SKY

This name was given to the bird as one of the most powerful symbols you can find. It symbolizes fertility, happiness, freedom, and power. The eagle has become a sacral bird in many historical countries and peoples: Assyria, Persia, Babylon, Egypt, Rome, Scandinavia, and others. In the days of the Athenians, eagles were considered a symbol of victory and success, and in ancient China, they were a symbol of the sun.

## IN 1524...

the Italian navigator Giovanni da Verazzano first sailed to the Atlantic coast, where New York City eventually emerged. The city was founded a little later — in 1614 as a trading post. Ten years later, in 1624, the Dutch established the settlement of Manhattan. This was the beginning of the history of the world-famous city.

## THE STATUE OF LIBERTY

One of the symbols of not only New York but also the United States, the Statue of Liberty was unveiled on October 28, 1886. It stands on an island visible both from the shore and the ocean. It was a gift from the French people to mark the American Revolution's centenary, and the monument's full name is "Liberty Enlightening the World."
