

CALLA Stool

The CALLA series is a collaboration between Coolican & Company and Paris-based designer Calla Haynes. It is inspired by the footstools commonly found in the souks of Morocco

Fabric from the refuse of French luxury fashion houses is hand twisted to create a traditional Moroccan rag cord. The cord is then hand woven to form the seat, creating a unique and dynamic composition of tone and texture.

Materials: solid oak/ash, hand-woven cord

Finish: hand-rubbed VOC-free hard wax oil (please enquire about custom finishes)
