

## ANCHOR MARK SPOT N SURVEY

### PRODUCT DESCRIPTION:

Anchor Spot n Survey is a quick dry marking paint used for spot marking and line marking in a variety of applications including landscaping, construction sites, surveying, school grounds, sports fields, factories, warehouses, golf courses, road surfaces and parking lots. The convenient upside down spray-through cap allows for inverted marking and protects the nozzle from damage. Available in a variety of fluorescent and non-fluorescent colours.

### APPLICATIONS: Suitable for use most surfaces including:

- Grass
- Concrete
- Bitumen
- Soil
- Timber
- Rock
- Gravel
- Steel

**SURFACE PREPERATION:** All surfaces: Remove any loose contaminants by sweeping the surface before application of the coating. Cover any surrounding areas to protect them from spray mist.

**DIRECTIONS:** Shake can vigorously for one minute after the sound of agitator is heard. Shake can occasionally during use. Hold can in an inverted position (upside down) at approximately 10-15cm from the surface and depress valve. The width of the spray can be adjusted based on the distance you are spraying from the surface. After use, clear nozzle by holding can upright and depressing valve until clear gas is expelled. Wipe nozzle clean after use.

Ideal application temperature between -10°C and 30°C. Avoid use in windy and dusty conditions.

**DRYING TIMES:** at 25°C < 50% RH

TOUCH DRY - 5 MINS

Drying time will be slower in colder and humid conditions.

**COVERAGE:** Will produce over 200 'X' marks or up to 150 linear metres (will vary depending on surface and colour used)

**PACK SIZE:** 350G

**STORAGE:** Store away from sources of ignition, naked flames and direct path of sun and preferably in temperatures range 15°C to 30°C. When stored as specified the product has shelf life of two (2) years minimum.

**WARNING:** Intentional misuse by deliberately inhaling contents can be harmful or fatal. Do not puncture this container even when empty. Avoid breathing of vapour and mist. Provide adequate ventilation when spraying in confined spaces. Avoid contact with eyes and skin.

**HEALTH AND SAFETY:** Highly flammable, do not use near fire or open flame. Store in a cool place and out of direct path of the sun. Keep Out Of Reach Of Children. If swallowed seek medical advice immediately or contact the Poisons Information Center on 13 11 26. Spills and leaks can be contained with absorbent material such as sand, earth or saw dust.

**FIRST AID:** Refer to the Safety Data sheet available at [www.cwbrands.com.au/](http://www.cwbrands.com.au/)

**PROPELLANT:** Hydrocarbon
