

## BOSTON SILICONE SPRAY

### Description

Boston Silicone Spray is a fat free lubricant, protective and parting agent as well as conditioner for plastics, wood, rubber and metal. It is Ideal for sliding surfaces and rejuvenating rubber parts. Its non-corrosive formula provides a thin, durable, clear, odourless film that lubricates, protects and eliminates squeaking and binding caused by friction.

### Application

Commonly used for lubricating, waterproofing and to protect rubber, plastic, metal, nylon and wood. Restoring, protecting and preserving rubber mats, mountings and seals, vinyl tops, weather stripping, door mouldings and plastic parts. Protecting and lubricating tools, hoists, jacks, locks, latches, runners, zippers and pulleys.

### Directions

Shake can well before use. For best performance use on a clean surface. Apply to the surface with short even strokes from approximately 25 - 25 cm from object.

### Storage/Shelf Life

Store in a cool place out of the sun.  
Do not store above 50°C

### Specification

Propellant: Hydrocarbon

### Health & Safety

Use only in well ventilated area. Ventilation may be improved by opening a window or door or providing mechanical assistance. Avoid continuous breathing of vapour and spray mist, avoid contact with the skin and eyes. If ventilation is not adequate, respiratory protection should be worn.
