Rechargeable cordless travel size goes anywhere

Blends, Chops and whips with 4 attachments

**M**ake delicious smoothies, drinks, whip cream, make salsa and more with our USB rechargeable and cordless choper you can take anywhere. Toss in your favorite ingredients, place the chopper on top of the bowl and press power to blend in seconds. A built-in digital weight scale with tare function quickly measures food weight for any recipe and displays in grams or ounces and allows for weighing ingredients inside any container placed on top with accuracy. Set includes a stainless steel blades, 2 glass bowls, egg beater, garlic peeler, spatula and USB charging cord. Contents come apart for easy clean up by hand or in the dishwasher. Recharge via any USB power source with the included charging cable. Perfect for active lifestyles and travel use while keeping your nutrition on target.
