Enjoy hot slow cooked meals anytime with Euro Cuisine! Our Electric Slow Cooker features up to a 6-quart capacity perfect for serving large family meals, appetizers for the game and more with fix and forget convenience. Just place your ingredients into the pot, close the lid, set the timer and select High, Low or Keep Warm from the pre-programmed heat settings. The slow cooker will automatically turn the heat setting to Keep Warm to avoid overcooking when complete. Ready to serve? Simply open the lid and enjoy! Our unique standing lid makes it easy to open and close the top with minimal mess, saving space and keeping your food hot longer. Perfect for homemade soups, pot roast, chicken wings, stews, chili, pulled pork and hundreds of other delicious recipes. When it is time to clean up, just remove the porcelain pot and lid from the base for easy washing by hand or in the dishwasher. It's a perfect addition to any kitchen and a Euro Cuisine family favorite!
