Out of this World
Matching socks for the
entire family

Perfect gifts for
Moms and Dads

Our Story

one that resonates with a LOT of moms!

Even before Q for Quinn, I would always mismatch my socks, mostly because I could never find matching pairs!

When my son was born, single socks was an even bigger problem as I didn't have enough socks to go around given he was constantly outgrowing them. I would show up to play dates with one sock (as my little one had managed to slip one off) or completely mismatched socks. For some reason I was more embarrassed about his mismatched socks than my own!

Maybe because I felt people will be judging me for not having it together....?!??

After several such occasions, it dawned on me: What if there were socks that looked good together even when they don't match?

Soon after, Q for Quinn was born.

Melita Cyril

3 pairs, 9 possibilities™

Thoughtfully designed in Toronto, our socks are gender neutral and made to be mismatched.

Through fun, bold prints with compatible patterns and colour schemes, our styles look like they match even when they don't!

Q for Quinn socks are made with certified organic combed cotton and seamless toes for total comfort.

Every collection comes with 3 pairs of socks for 9 possible pairings and plenty of fun opportunities to learn about patterns.

Melita dreamed of creating a learning experience for kids with her socks. She wanted kids to get excited about their socks and different patterns. She also wanted to encourage kids to create their own individual style by matching and mismatching their socks!

Enter Quinn's Socks, an illustrated children's storybook featuring Q for Quinn's own sock patterns!

Quinn's Socks Synopsis:

Using catchy rhymes, this book tells the story of a little boy and his affection for socks. He has beautifully patterned, colourful socks for different seasons of the year and the various sports he plays. Featuring characters from different ethnic backgrounds and global sports, this is a story that transcends geographical boundaries. Quinn's Socks is ideal for beginner readers and curious toddlers.

Our impact

NUTRITION + EDUCATION

For every pair of socks purchased, a child receives a school meal.

This child not only gets the nutrition they need to stay healthy and fight disease, they are encouraged to go to school and obtain an education.

We give back through Mary's Meals.

ORGANIC MATERIALS

Every pair of socks is made from organic cotton that is traceable to the farmer.

Organic cotton is processed without the use of chemicals and pesticides that are harmful to our planet and the farmer.

FAIR TRADE

Every pair of socks is made in Sri Lanka (where our founder grew up) in an OEKO-100 certified facility where the workers are cared for and receive fair wages.
