

CASTILLO

Ottimo
cerámicas

The CASTILLO porcelain elongated hex tile is a versatile option for both floor and wall applications.

With its hexagonal shape, it can create interesting patterns and visual appeal in any space. The fact that it's made of porcelain means it's durable and suitable for high-traffic areas like kitchens and bathrooms. The Castillo tile comes in four different solid colors, adding simplicity and elegance to its design. This variety allows for flexibility in coordinating with different design styles and color schemes.
