

MAXIMUS SERIES

High-Capacity Mains-Connected Water Coolers

Maximus is the largest capacity commercial water cooler range available on the Australian market. No other water cooler in its class presents the same level of performance, making Maximus the ideal choice for high-demand areas like offices and workshops.

KEY FEATURES

- 6.5L/h cold water output
- 14L cold water tank
- Highest capacity water cooler available in Australia
- Stainless steel side panels and corner pieces for heavier-duty applications
- Durable polypropylene, self-closing taps
- Food-grade, stainless steel water contact tubes
- Easy-to-clean, removable drip tray
- 12 month standard warranty and 36 month compressor warranty
- Full range of replacement parts

With an unprecedented 14 L tank, Maximus dispenses up to 6.5 L of cooled water per hour. Maximus is a free-standing unit available in a cook and cold configuration.

The powder-coated steel side panels and corner pieces make this unit perfect for heavy-duty applications such as workshops. Coupled with our twelve month standard warranty, additional twenty-four month refrigeration circuit warranty and full range of replacement parts, the Maximus is a powerhouse of water cooling.
