

BREYERFEST OPEN SHOW RUN CLASSIFICATION LIST

Updated March, 2024

The following list will tell you which division is correct for many Traditional (and some Classic) sized models. If you search for your model and cannot find it here, please contact me for classification and so I can add the model to the list. If you question a model's placement or have a suggested addition to the list, contact me for that as well: Show Manager Michelle Masters at breyerfestopenshow@gmail.com.

HOW TO USE THIS DOCUMENT: It should open as a searchable document (you may need to enable editing). Open the Search feature on your computer to find the breed you're looking for. You can also save it as a pdf, which will be searchable.

RR = Regular Run / SR = Special Run / LR = Limited Run
