

# Create Piper's World!

# Piper's World How-to

## You will need

Plain printer paper or lightweight card stock

Crayons, markers or colored pencils

Scissors

Glue

Popsicle sticks

Cotton balls or craft pom poms

Sequins and glitter (optional)

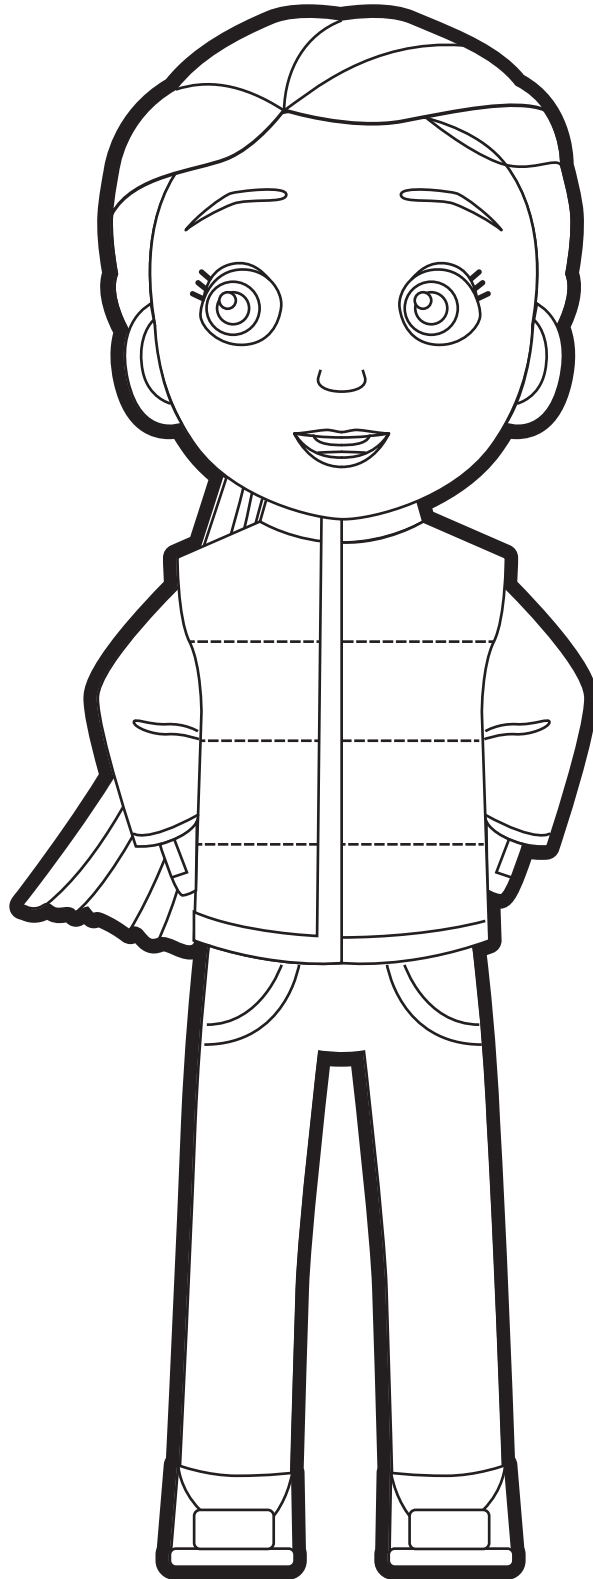

## Instructions

1. Print out coloring sheets and instructions.
2. Color in the background and glue to another piece of paper or card stock.
3. Color in the characters and accessories. Cut out around the heavy black lines.
4. Glue one or two ponies plus accessories onto the background.
5. Along the bottom of your artwork, glue several popsicle sticks to create a fence as shown.
6. Up in the sky portion of your artwork, glue cotton balls to create puffy clouds.
7. If you'd like to add some sparkle to your artwork, now is the time to add sequins and glitter!

Make as many scenes of Spark & friends you want by printing out and coloring more backgrounds, or draw your own backgrounds and accessories around the horses to make your own scenes! Be Creative and have fun!
