

A Horse Of My Very Own™

711398 Pollock

Limited Quantity of 1600

American artist Jackson Pollock (1912-1956) is most famously remembered for his splatter and drip paintings, where he would splash, splatter, pour, and tip a horizontal canvas to get the desired effect. While his career was cut short, Pollock is widely considered to be one of the greatest modern American painters and his works hang in museums all over the world.
