GENERAL SHOW RULES

REMEMBER: With SEVEN open show rings and multiple divisions at a competitive show, entrants are encouraged to bring their best and not bite off more than they can chew with their show string. Things will move fast and frenetically. While halter class limits are non-existent, please consider how much you can handle at one time.

SEATING: Tables will be assigned to entrants. Please let the show holder know what rings you want to focus on and/or what friends you wish to sit with, and we will do our best to accommodate you.

LIMITS:

- 2 horses per entrant per PERFORMANCE class
- No halter class caps
- Halter, ~5 minutes between classes
- Performance, 10 minutes between classes, timed

TAGS: Tags must list the name of the horse, breed, gender and your THREE initials all on one side. Please make sure that side is up when you set up your horse. Tag flipping is risky. Please write legibly.

SPLITS: Classes will be split at the discretion of the judges and show holders.

JUDGE COURTESY: Please refrain from talking to a judge while they are judging. Judges will be happy to explain placings after a class, but their decisions are final. Please be polite and courteous and remember that you are paying for their opinion (even if you don't agree with it). Please don't crowd rings that are being judged or loom over a judge's shoulder during judging.

SHOWER COURTESY: NEVER touch or pick up a model without the owner's explicit permission. Be aware of your surroundings. Accidents do happen but be careful, so you aren't the cause of one. If you break or damage an item of someone else's, be prepared to pay for it. Unsportsmanlike conduct, harassment of judges and/or show staff, or offensive behavior or language will NOT be tolerated. Anyone exhibiting these behaviors will be removed from the show hall without a refund.

HALTER DIVISION/CLASS DEFINITIONS and RULES:

This show is open to **ARTIST RESINS/EDITIONS** only. No factory painted resins produced by a company are permitted. Entries can be cast resin, 3D printed, pewter or other acceptable materials.

DIVISION LIMITS AND SCALES: A horse may enter only ONE halter division. Traditional and classic sizes show in the large division, curio/venti/bijou/stablemate show in mini, micro and smaller show in micro. Artists showing pieces in Amateur Artist are welcome to show in the open divisions, but classes will not be held for them.

FOAL CLASSES: All halter divisions have a separate foal section. Open for foals, weanlings and yearlings.

AMATEUR ARTIST: Models painted and/or customized by the person showing them are eligible for this division regardless of age of artist, or medium used to finish it, as long as it is an artist resin/edition. It is a workmanship class so yellow NAN cards will be rewarded.

AA QUALIFICATION: The definition of Amateur Artist is squishy, but if you are making a living or have an official business creating model horses, teach sculpting and finishwork classes, vend

at the Artisans' Gallery, or do work for Breyer as an artist, you will not be considered "amateur". We, of course, will consider each entry on a case-by-case basis if there are questions.

NO SET UPS or handlers in halter! Exceptions for protective cloth for tippy or fragile models of course.

JUDGES will assume they have permission to handle models if they feel it's warranted. Please leave a note with your entry if you object.

CHAMPS/RESERVES will be named following each section, Overall Division Champs and reserves will be named at the conclusion of all the division sections.

BREED DEFINITIONS: NAN 2023 Breed reference link is not available yet, it will be provided when ready but feel free to use 2022 for now.

CHAMPS/RESERVES and will be named following each section, Overall Division Champs and reserves will be named at the conclusion of all the division sections.

OTHER PERFORMANCE AWARDS

- **High Point horse** - all of a horse's placing across the entire division will be added together
- **High-Point shower** - all a shower's placings across the division will be added together

- **Versatility** - Must place in 3 classes EACH in Other, English and Western. That is a total of NINE classes. Owner must declare the horse and the classes prior to the start of judging. We will have index cards available for this.
- **Ride and Drive** - Horse must place in any driving class AND any pleasure class AND one extra performance class of the exhibitor's choice. That is a total of THREE classes. Horse and classes must be declared prior to start of judging. We will have index cards available for this.

Our goal in the other performance classes is to not have events represented that should have been in another class- all dressage shows in dressage, for example, as the parameters for judging don't change. **PLEASE ASK US** prior to the show if you have questions about where an entry should show.

OTHER GENERAL RULES

ANYONE displaying bad behavior, language, or poor sportsmanship will be asked to leave the show hall with no refund.

DO NOT pick up anyone's belongings without permission.

CANCELLATION/REFUND POLICY Once your entry is received & processed through Breyer, there are no refunds.

LIABILITY: The show holders, judges, the Clarion, and Breyer cannot be held responsible for any lost, broken, or missing property or injury to any participants or spectators.

Please **LISTEN** for all announcements! There will be five rings going at the same time so be attentive!

REMEMBER that this is a hobby and live shows are for fun! Relax and respect your fellow participants and we will all have a great time.
