

A Horse Of My Very Own™

### **711496 Seurat**

Limited Quantity of 2000

Georges Seurat was a young artist (he died at age 31) who lived and worked in France during the second half of the 19th century, and is most well-known for his use of pointillism in his paintings. These incredible works displayed Seurat's knowledge of color theory as he created stunning images composed solely of tiny dots.
