SALUTE TO HORSE HEROES

BreyerFest 2019 • 30TH ANNIVERSARY

Advanced Sculpting

Skill Level: Intermediate to Advanced

A great class for adult sculptors! Take your sculpting to new levels! Focusing on biomechanics and anatomy, Morgen Kilbourn will bring each student through the intricacies of adding movement and detail to your sculptures.

Arabian Halter

Skill Level: Beginner to Intermediate

Work with Tiffany Purdy and learn how to make your own Arabian halter. Supplies and a Traditional-scale model are provided!

Breastcollars

Skill Level: Intermediate

Join tack maker Dani Youdris as she guides you through making a police horse breastcollar for our Celebration Horse, Oliver! Pair this workshop with our draft horse halter workshop, and you can make a halter for Oliver, too! Don't forget to bring your Oliver model to this workshop!

Canvas Tote Creations

Skill Level: Beginner - Intermediate

Join Jane Tilton to create your own horse-inspired canvas tote bag! Jane will walk you through how to paint your own canvas tote creation. Starter tote bag with line art will be provided. Take home your artwork and a Classics scale model.

Carousel Horses

Skill Level: Intermediate to Advanced

Create your own realistic carousel horse with Laura Rock-Smith using a Breyer Classics scale model. Attendees will learn about the basic history of American Carousels during their Golden Age as they work on learning the basics of sculpting trappings including draping and saddle making. In addition attendees will learn how to set jewels to make their creation sparkle. If time permits some advance trapping skills will be demonstrated.

Christmas Ornaments

Skill Level: Beginner

Join Tina Dils to get a jump start on your holidays with our Christmas in July workshop! Learn how to incorporate your favorite Breyer Stablemates® models into festive ornaments.

Color Matching for Restoration

Skill Level: Beginner to Advanced

This workshop lead by Nan Wagner offers step-by-step instruction and hands-on interaction to help you understand basic color theory and how it applies to repairing your favorite models accurately.

Creating a Caparison

Skill Level: Intermediate to Advanced

Join Didi Hornberger as she takes you back in time to work with the horse heroes of the middle ages! Participants will learn how to create a beautiful caparison for a Traditional scale model, which will be provided.

Dapple and Duns: Starbursts, Stripes and Pizzazz

Skill Level: Intermediate

Come paint a horse with us! Learn several techniques for adding pizzazz to your model. Dappling types and dun factors will be covered. Everyone will take a turn using the airbrush to see how this tool works. Colors, techniques and conformation will be discussed as well as preparation techniques needed to complete a quality painted model.

Draft Horse Halter

Skill Level: Intermediate

Designed to be constructed on this year's Celebration Horse, Oliver, tack maker Marcella Peyre-Ferry will guide you through the process of making a halter for your draft horse. Pair this workshop with our Breastcollars workshop, where you'll make Oliver's police breastcollar, too! Don't forget to bring your Oliver model to this workshop!

Dream Horse Kit

Skill Level: Beginner

Students will work alongside Kristin Albert as she guides them through this fun kit for painting a model horse and adding a mohair mane and tail. Each student gets his or her own kit including a Breyer Classics scale model horse!

English Bridle

Skill Level: Beginner to Advanced

Learn the ins and outs of tack making with LeeAnn Masters as she teaches you how to create your very own decorated English bridle on a Traditional scale model, which will be provided. Pair this workshop with our English Saddle workshop, which follows it. (Both English Bridle and English Saddle will be working with the same model.)

English Saddle

Skill Level: Beginner to Advanced

Hobbyist Laura Lott will guide you through the process of making an English saddle for a Traditional scale horse. Pair this workshop with English Bridle for the full experience! (Both English Bridle and English Saddle will be working with the same model.)

Etching

Skill Level: Intermediate to Advanced

Work alongside Val Starcher to learn how to add detail and intrigue to your favorite model horse. Due to the use of sharp objects, this workshop is limited to intermediate to advanced students.

Etching Decorators

Skill Level: Intermediate to Advanced

Work alongside hobbyist Lauren Hoeffler to learn how to etch your model in the decorator style. Due to the use of sharp objects, this workshop is limited to intermediate to advanced students.

How to Host a Model Horse Show

Skill Level: Beginner to Advanced

Join seasoned professional in the model horse showing world Jamie Rott as she takes you through the process of hosting your own model horse show. Learn how to coordinate the details, find judges, and set up your show in this fun class!

How to Judge a Model Horse Show

Skill Level: Intermediate to advanced – geared towards participants 13 +

Join seasoned Model Horse Show Judge Lori Daniels as she takes you through the process of judging a model horse show. Learn how to judge halter and performance, correct conformation, coloring, and breed. This informative workshop is geared towards both judges and showers.

How to Photo Show Model Horses

Skill Level: Beginner to Advanced

Did you know that you can show your horses anywhere, anytime, through photo showing? Liz Isham Cory's hands-on workshop will give you valuable hints and tips on choosing your show string and showing them to their best advantage. Bring your camera and your own model (limit one) for some time in our photo booth!

How to Show Model Horses

Skill Level: Beginner to Intermediate

Liz Isham Cory's hands-on showing tutorial takes model horse collecting to a whole new level! Learn what makes models stand out from the crowd. Find out how to spot a winner in your collection! Do you have a model that you need help assigning a breed to, or are not sure why it does not place well? Bring your model (limit one) and receive guidance!

Introduction to Customizing

Skill Level: Beginner

Ever wanted to try your hand at customizing but didn't know where to start? Let Mindy Young get you started! Using Stablemates® models, try your hand at customizing your first horse.

Just for Kids! Painting

Skill Level: Intermediate, 10 & Up

Join Jenn Danza and create your own model masterpiece! This class is for kids ages 10 and up who want to learn advanced skills for painting their own model horses. Classics model included.

Minis on Parade!

Skill Level: Beginner to Advanced

Join Kim and Kathi in celebrating your favorite horse heroes with a parade. Participants will build a Stablemate scale parade scene complete with street base, float, and decorations. Participants will also learn about parade classes and receive reference material to help give them an edge at the next show.

No-Sew Pony Pouches

Skill Level: Beginner

Jane Tilton is back with this fun workshop for beginners! You'll learn how to create your own no-sew pony pouch to safely transport your favorite model. You'll be able to customize your creation as well! Traditional model is also included.

Painting a Micro Mini

Skill Level: Intermediate

Learn how to paint realistic white markings and patterns in Micro Mini Scale with Christina Riley! Your choice of appaloosa, pinto or just basic white markings. Christina will share her techniques and secrets painting in this scale and the best way to achieve realistic, in-scale white patterns on micro horses with or without mapping! You will receive an instructional print out which includes a supply list of her favorite materials as well as her favorite brush to use for the class and to take home with you.

Painting Your Horse

Skill Level: Beginner - Intermediate

Offered both Friday afternoon and Saturday morning! Come paint a horse with us! Learn a variety of shading techniques, including blocking, dry brush and sponging. Take a turn on the airbrush to get an idea of what this tool can do. Colors, techniques and confirmation will be discussed as well as preparation techniques needed to complete a quality painted model.

Pastels

Skill Level: Intermediate, 10 & Up

Pastels are a great way to layer soft, realistic colors on your model horse and add shading and detail. Laura Thomson demonstrates the techniques for using these chalks including how to make them stay on when you're through.

Pinots & Pintos Painting

Skill level: Adults 25 and over ONLY. ID will be checked

You read that right! Our very first wine and painting workshop at BreyerFest! Enjoy a glass of pinot as Laura Thomson guides you through this fun painting project. Drink tickets will be distributed to attendees to be redeemed at this workshop's very own bar.

Pinto and Appaloosas Painting 101

Skill Set: Beginner to Intermediate

Learn how to create perfect spots and dots on your custom models with artist Karen Zorn! You learn how to create the perfect mottling on an Appaloosa and discover the difference between an Overo and Tobiano in this fun class!

Repairing Horses

Skill Level: Beginner - Advanced

Think of it as plastic surgery for your models! This hands-on class will walk you through the methods of repairing a broken leg, ear or tail. Class requires use of glue, sculpting epoxy and motor tools.

Repairing Porcelain Models

Skill Level: Beginner – Intermediate to Advanced

Join hobbyist Lisa Esping as she guides you through the repair of your most fragile porcelain and china models. If you have a broken model or ornament at home, please feel free to bring it, but a model will be provided. This class is limited to more advanced students, due to the types of adhesives being used.

Sculpting

Skill Level: Beginner

Learn to sculpt with hobbyist Maggie Bennett! Students will learn the basics from armature to final figurine.

Stall Decoration

Skill Level: Beginner to Advanced, ages 9+

Paint and assemble a wooden stall for your "Classics" scale horses! Students will receive Breyer's "Hilltop Stable" Barn Kit, which features sliding doors and three windows. Horse stall will be painted with acrylics, and put together in class. Students will also get fun and creative ideas on how to customize their barn even more when they get home. Perfect class for kids 9+ and adults, or younger kids with some parental assistance.

Suncatcher Stablemates

Skill Level: Beginner to Advanced

Using glass paint and clear Stablemates models, create unique suncatchers with a translucent finish with hobby expert Sommer Prosser. We've livened this year's workshop up with some new molds!

Suncatcher Stablemates – Unicorns!

Skill Level: Beginner to Advanced

Using glass paint and Breyer's brand new clear Stablemates Unicorn models, create unique suncatchers with a translucent finish with hobby expert Sommer Prosser.

What a Model Horse Show Judge...Judges.

Skill Level: Beginner - geared towards kids 13 and under

This workshop is great for younger showers who are just getting started in the world of model horse showing! Seasoned Model Horse Show Judge Lori Daniels will take you through how to show your Breyer models. Discover what to do, how to do it, and all the little details from filling out an entry to packing up for the show!

Please note: schedule is subject to change. **Confirmation emails will no longer be sent to participants. Please print your receipt as proof of your registration.**
