

## Our Clientele Is Your Clientele

As an established brand with a reputation for quality and consistency, one thing that Fellow Barber has never struggled with is getting clients through the door.

We offer stability that only comes from years of cultivation.

# Sharpen Your Shears with Apprenticeship Opportunities

Barbering is a never-ending journey of personal growth and development. We provide ongoing continuing education programs to keep you inspired at every stage in your career.

At Fellow Barber, you have the room to consistently grow and level up your barbering status.

# Multiple Locations <u>And More to Come</u>

Fellow Barber was born as a small shop with four chairs. Just over 15 years later, we have grown organically to 11 shops, each with 7-9 chairs and home to 150 barbers! Currently spread across San Francisco, New York, & Los Angeles.

# Schedule Optimization

Time is money! Our staff is highly trained in client relations and appointment management, helping you realize your earning potential on a daily basis.

Flexible hours with guaranteed schedule optimization based on the individual barbers haircut appointment times - allowing our barbers to fit as many clients as possible within their day.

# Expertly Curated Product Assortment

We work hard to offer an exclusive assortment of what we feel to be the best products on the market, for you to use and sell to your clients, taking your cuts and service to the next level!

Barber's receive 10% commission on all products sold to clients & walk-ins.

Each shop is designed to be a place of inspiration for both clients and employees.

From the beautiful vintage chairs and custom furniture, to the natural light and plant selection, we strive to provide a beautiful & safe space for all.

### **Benefits**

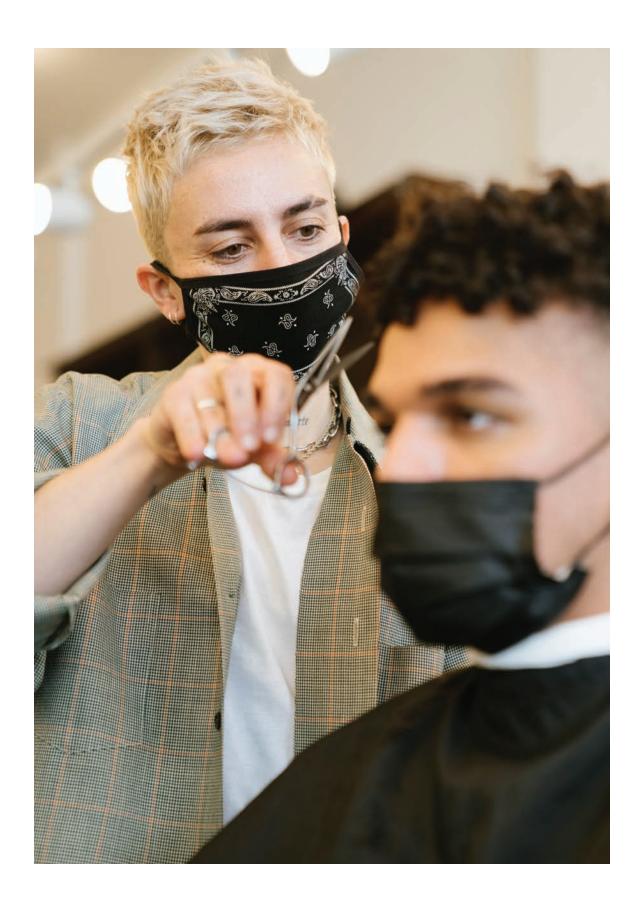

Our employees are our most valuable resource. We strive to provide the most competitive benefits in the industry.

From 401K management, health, vision, & dental insurance - we ensure our full-time employees are taken care of.

# The Future Is Fellow

As Fellow Barber continues to expand we need strong leaders to join our team in a variety of capacities.

Whether it's management, education, product training or senior level barbering, we always have a spot for talented individuals.
