

CASAMARA CLUB

sparkling amaro soft drinks

CAPO

the easy one

Capo draws on alpine amaro traditions from the north and south of Italy, with notes of peppermint leaves, fresh picked wildflowers, and mellow key lime acidity. Pair with deli sandwiches, fried rice, and picnics in the park.

For a long drink, we suggest this lightly spiced, low-ABV sipper for when you don't need much else.

1oz aromatized red wine, preferably Lillet Rouge
3oz Casamara Club Capo

Add everything to a chilled rocks glass filled with ice and stir briefly. Top off with more Lillet Rouge, if desired. Garnish with an orange twist.

Ingredients: Sparkling Water, Lemon Juice, Orange Blossom Honey, Extracts of Italian Mandarin, Chamomile, Peppermint, Licorice Root, Grapefruit Peel, Juniper Berry, Clove Bud, and Cardamom, Mediterranean Sea Salt.

Flavored seltzers can be kinda of a drag, whether you're looking for a fun soft drink on a social evening, or an easy sipper when you need a break from all the noise. That's why we took inspiration from our favorite Italian leisure drinks to make the kinds of artisanal, craft seltzers we actually want to drink.

The result is the world's most refreshing leisure soda. It's a line of botanical craft seltzers that are balanced enough to enjoy with a meal, easy-drinking enough to relax with, and dry enough to have another.
