

REFLEX SPORTS REWARDS

A programme that gives back to
the community.

WHAT IS THE REFLEX SPORTS REWARDS PROGRAMME?

Here at Reflex Nutrition we wanted to find a way to support sport clubs in a way that will really make a difference to the club. So, we created a programme that will benefit not only the team players and club members but also the entire community - that's friends, family and fans!

The programme gives you, the entire team/club, friends, family and fans access to a range of high-quality supplements at great discounts. Plus, we give cashback rewards to the club for every purchase made. This cashback can go towards anything the club chooses to fund, such as buying new equipment, coaching, physio expenses, team-related travel expenses, team events or a donation to charity.

What are the benefits for my team if we join the Reflex Sports Rewards Programme?

- Every team or club member plus your friends, family and fans can **save up to 35%** on Reflex purchases at www.reflexnutrition.com, using a unique team discount code
- Your team or club earns up to **10% cashback** on every qualifying purchase made using your club's unique discount code to spend on team projects
- Educational content for your team's members
- Additional discretionary benefits from time to time.

Why have Reflex started the Sports Rewards Programme?

We have been making advanced sports nutrition products since 1996. We were one of the first to market in the UK and have kept quality and performance at the forefront of everything we do. When sports people hear about our quality they often request sponsorship so we came up with a programme to help as many sports people as possible. We know how important it is to get your nutrition right so through this programme we'll strive to share our knowledge with people of all levels and abilities.

Support your next Team project with Reflex:

Through the cashback rewards, we're committed to helping you raise funds that will benefit the players and club members. We ask you to commit to a project(s) when you sign up to our programme. We'd love to share some of the projects you're supporting with our community so we may ask for photos or more details from time to time!

How do I apply?

To apply, simply complete our [online enquiry form](#), following which, we'll send you an application form for completion. You will need to provide us with some information about your team or club, such as where you're based, how many members you have, and details about the projects you're looking to fund through the cashback reward scheme. Please note that we can't take on everyone. Once we've reviewed your application we'll be in touch to let you know you've been successful. .

How do I know if my team, club, or training group is eligible for the Sports Rewards Programme?

The Programme is open to any group of people who meet regularly for exercise across all types of sport, whether you're affiliated to a sports governing body or not. Your team or club must meet the eligibility criteria set out in our [Terms and Conditions](#). As long as your team, club or training group meet these eligibility criteria then you can apply. Where applicable, please make sure that the Team Nominee is happy to sign up to the Programme and our [Terms and Conditions](#) before you apply.

If you think your team or club would benefit from joining the Reflex Sports Rewards Programme please apply today.
