

Job Description

Title: Product Manager
Type: Permanent, Full Time
Start date: ASAP
Hours: Full Time
Salary: Dependent on experience

Must Have Ideas Ltd is looking for a proactive Product Manager to join our super busy and fantastically friendly team based in Snodland.

As a rapidly growing ecommerce company, we have an exciting new opportunity for a special someone to help us find new products, bring them to market and improve our existing portfolio of household, garden and storage products. All to ensure that our ever-expanding community of UK-wide customers are always delighted with their every purchase.

Your responsibilities will include:

- Lead and be responsible for the business' entire product portfolio
- Work with The Directors to define the roadmap for new product launches
- Research chosen products, identify possible suppliers and request samples
- Assess samples and select suppliers, working with them to guarantee best possible quality
- Review existing product portfolio, identify opportunities to increase quality, reduce cost, reduce returns and improve the customer experience
- Work with our in-house Designers to produce custom packaging solutions for each product, whilst reducing assembly/packing labour requirements in the UK as much as possible
- Work with suppliers to reduce packaging size and weight to reduce international freight and domestic postage/courier costs
- Draw-up and maintain inspection guidelines for each product
- Ensure back-up suppliers are in place for every product in our range

You must:

- Have essential experience in a logistics, buying or product role
- Be well motivated, enthusiastic and a good team player
- Be highly organised, with very good attention to detail and excellent spreadsheet skills
- Be able to work well under pressure

This is an excellent opportunity to join our small, friendly team with significant room for personal and professional growth as the successful candidate helps the company expand.

Must Have Ideas Ltd is an equal opportunities employer.
