

## Brain Teaser #6

### Comparing Apples and Lemons

Can you find the value of the lemon and the apple?

First, find the value for the lemon.

70, 68, 64, 58, **50**, 40

Then, find the value for the apple.

$$\text{50} + \text{5} = 55$$

$$\text{50} - \text{5} = 45$$
