this one will be made for you.

Iterally.each piece is made-to-order and shipped straight from the goldsmith to your doorstep. no extra way, no from the goldsmith to your doorstep. no extra we won't start production until you have decided to make it yours or gift it to someone special. this way we keep our use of resources to a minimum and only create products that have a purpose.

from me, to goldsmith, to

## print, cut and fold

after printing the file, cut the edges and fold it like indicated below. write the name of who is getting the gift card, the value and the code we sent you.
