

Nature-Cide®

Features & Benefits:

- All Natural
- Made in the U.S.A.
- Light, Pleasant Aroma
- Registered with the EPA in the state's that require it
- Developed by a Licensed California Pest Control Service
- Full Service Solution that gives the ability to eradicate pests quickly and discreetly
- Kills ants, bed bugs, cockroaches, fleas, mosquitoes, ticks and other insects by contact
- Available as 8 oz., 16 oz., 32 oz. ready to use and 64 oz., 1 gallon, 5 gallon and 55 gallon concentrate

Of the insects treated in an independent laboratory, nearly 100% of all insects were killed after 1 Hour and most killed instantly. Each application can prevent additional outbreaks of various insects, as well.

Application:

Shake well before using. Safe to use in gardens, on or around carpet and furniture or where pest infestations are found. Spray liberally into all areas where pests frequent, in corners, around window and door frames, or any place where pests harbor making sure to contact pests with spray whenever possible. Repeat as needed. Safe for everyday use when used as directed.

Ingredients:

- Clove Oil • Cottonseed Oil • Glycerin • Myristic Acid • Potassium Oleate • Potassium Stearate • Soap • Water
