

Jumbalow - Low

Inspired by Jumbo – this sofa can create a big footprint or walk the tight wire. The modular sofa is designed for great rooms, big families, and simple living.

Features We Love:

- Casual fabric keeps it real.
- Combination of foam – from a firm supportive base to a softer memory foam topper, offering maximum support and comfort.
- Piped trim detail around the edges.
- Heavy-duty alligator clips hold everything together, and when you want to customize, allow you to reconfigure as you wish.
- Low/Deep seat for the ultimate lounging, movie watching experience

The Details:

Seat height: 15-1/2"
 Seat Depth: 27"
 Arm Height: 21" x 10-1/2"
