A large, high-end spa chair with a matching ottoman is the central focus. The chair is upholstered in a dark gray material with a quilted pattern on the backrest and armrests. It features a control panel on the right armrest and a cup holder. The ottoman is also upholstered in the same material and has a decorative, shimmering silver-colored basin on top. The setting is a sophisticated room with white marble flooring, a built-in shelving unit with various decorative items, and a large abstract artwork on the wall.
