Mode 2:  
LED Blue Light  
(400-480nm)

Mode 3:  
LED Red Light  
(620-760nm)

Mode 1: Sonic Vibration  
(6000 rpm/min)

- Enhances absorption of hair care products into the scalp
- Improves blood circulation
- Awakens and stimulates sleeping hair follicles by 83%
- Relieves fatigue and encourages relaxation

Mode 2: LED Blue Light  
(400-480nm) with Sonic Vibration

- Regulates sebum production and clears up scalp acne
- Anti-inflammatory effect
- Soothes sensations of itchiness, as well as redness on the scalp
- Reduces stress and anxiety by boosting the production of serotonin hormones

Mode 3: LED Red Light  
(620-760nm) with Sonic Vibration

- Reduces hair loss and improves hair regrowth by increasing blood flow in the scalp
- Boosts cellular activity within hair follicles, including the rate at which they replicate
- Fights oxidative damage that causes premature ageing and hair loss
- Increases the creation of new capillaries, to deliver oxygen and nutrients to hair follicles and remove toxins that can lead to hair follicle damage

VERDURE

# HAIR GROWTH ESSENCE

The perfect complement to the VERDURE Hair Fall Control Shampoo. When used together consistently, it creates a synergistic effect where prevention of hair loss is complemented by hair growth. VERDURE Hair Growth Essence improves scalp health to help you achieve thicker, fuller hair.

## Key Ingredients and its Benefits:

**Lactic Acid**  
Normalises pH level, and metabolises ageing keratin to prevent clogged pores.

**Panax Root Extract**  
Stimulates hair growth and prevents hair loss.

**Bergamot Fruit Oil**  
Balances oil production and promotes hair growth.

**Vitamin E**  
Protects hair follicles and promotes scalp circulation.

**Vitamin B3**  
Improves scalp circulation to prevent hair loss.

# HAIR FALL CONTROL SHAMPOO

Specially formulated with key ingredients, VERDURE Hair Fall Control Shampoo has dual properties to aid in preventing hair loss and promoting hair growth. Both paraben- and sulphate-free, VERDURE Hair Fall Control Shampoo stimulates the scalp and hair follicles for healthy, strong and shiny hair.

## Key Ingredients and its Benefits:

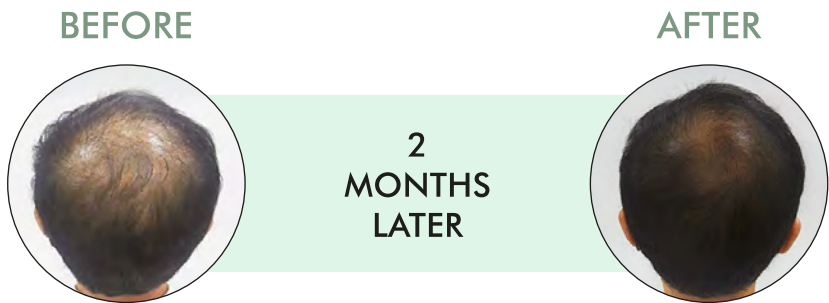

**Ginkgo Biloba Leaf Extract**  
Improves cellular metabolism at the scalp area for a healthier scalp.

**Ginger Root Extract**  
Activates hair follicles for hair growth.

**Lavender Oil**  
Purifies hair and balances scalp oil secretion.

**Camellia Sinensis Leaf Extract**  
Protects hair from UV damage.

**Orange Peel Oil**  
Moisturises dry and damaged hair, keeping hair healthy.

# PURIFYING VOLUME BOOST SHAMPOO

VERDURE Purifying Volume Boost Shampoo is created with a blend of scientifically-derived botanical extracts to help people facing oily scalp and thinning hair woes. Enhanced with an anti-pollution shield, this gentle sulphate-free shampoo addresses flat and greasy hair with its deep cleansing formula while energising limp hair for a voluminous boost.

## Key Ingredients and its Benefits:

**Horse Chestnut Seed Extract**  
Controls sebum production to prevent oily scalp and flat hair.

**Ginger Root Extract**  
Imparts anti-bacterial properties to keep the scalp and hair clean.

**Caffeine**  
Protects against UV-induced radical damage to boost nutrients and blood flow to the scalp.

**Pollushield™**  
A strong antioxidant to protect and defend scalp and hair against damage caused by urban pollution.

**Peppermint Extract**  
Helps to cleanse, cool and refresh the scalp and hair.
