HFS SERIES SPORTS FLOODLIGHTS - 240W

The HFS Series Floodlights are the next generation in high output Sports & Area Lighting. With low windage, asymmetric optics options and wattages ranging from 240W - 600W, the HFS Series is the ideal fitting to meet the required lighting standards for your specific sporting application.

Features

- Heavy Duty Construction
- Directly replace up to 1500W MH fittings
- Asymmetrical optic design
- Glare and spill light shielding
- Backlight control
- Robust mounting system, fully adjustable
- Multiple mounting options

Application

- Tennis Courts
- Sporting
- Hardstands
- Industrial Sites

Standard Specifications

- Rated input power - 240W
- IP66
- High Efficiency SMD chips
- Lumens - 34,800lm
- EPA (Sail Area) - 0.22m2
- Colour Temp - 5000K
- Weight - 7.8kg

Options List

- PE Cell /PE
- 0-10V Dimming /0-10

Models List

Black / T2 M	HFS240BK5KN01	Special Order
Black / T3 M	HFS240BK5KN02	Special Order
Black / T4 M	HFS240BK5KN03	Special Order
Black / T5 M	HFS240BK5KN04	Special Order
Black / NEMA 3x3	HFS240BK5KN05	Special Order
Black / NEMA 6x4	HFS240BK5KN06	Special Order

Accessories

U Bracket - 240/300W models	HFS1BR01
Vertical Pole Mount - 60mm	HFS1VPM01
Horizontal Pole Mount - 60mm	HFS1HPM01
Straight Arm Mount	HFS1SAM01
