

PBC Series

CASAMBI LOW GLARE BACKLIT LED PANEL 36W - 600x600mm

The PBC Series LED Panels balance high output with clean, even light distribution. These panels not only reduce glare, but include flicker free drivers adding an extra layer of visual comfort in the workplace. They are a stylish troffer replacement for standard grid ceilings. Perfect for either retrofits or new buildings. Through the power of Casambi smart technology, users are able to customise their desired outcome though luminaire dimming, grouping, scheduling and so much more.

Features

- Tuneable white colour temperature
