PT5 Series
CASAMBI LED POLETOP LIGHT
60W - GOOSENECK

The PT5 Series LED poletops package the latest LED chipsets and drivers in an expanding range of heritage and contemporary designs. The PT5 is the latest edition to our PT Series. With the Casambi wireless unit allows users to customize their settings for the desired outcome via smart dimming, grouping and time scheduling and more. Offering 6 different mounting options, 4 power output options, colour selectability and a wide range of optics, makes this our most project adaptable pole top model to date.

Features

- Smart dimming (via Casambi app)
- Colour temperature selectable
- Large range of asymmetric and symmetric optics
- Multiple mounting styles available
- High quality LED chips and drivers
- Durable powder coated finish
- Robust cast aluminium construction
- 7 Pin NEMA socket
- Suits 60mm goose neck spigot
- Casambi enabled

Applications

- Parks
- Walkways
- Carparks
- Education Campus'
- Council Facilities
