

Integrated Power

SF SERIES POWER SELECTABLE LED SHOPFITTER - 60W

The SF Series LED Shopfitters can assist retail stores to significantly reduce their energy and maintenance costs. Traditional metal halide fittings generate significant heat, resulting in increased maintenance costs and greater A/C cost to keep the store cool. The SF Series LED Shopfitters can reduce costs, improve light quality and improve the overall feel of a retail environment.

Features

- High spec LED chips and drivers
- Wide angle optics, even beam distribution
- No UV light emissions - no fading colour in products
- Power selectable 48W-60W
- Colour temperature selectable
- Large 60deg gimbal to allow direct aiming onto walls
- Fitted with flex and plug for easy retrofit

Applications

- Retail Stores
- Chemists
- Galleries
- Shopping Centres
- Schools
- Hotels
