

FREE Mobility Equipment Repairs Available!

If you (or a loved one) cannot afford to have your mobility equipment repaired, Independent Living may be able to help.

We have a targeted fund for equipment repairs for disabled or elderly people on a very low income.

If you think you might qualify for this funding please ask our team for more information, or visit our Funded Repairs webpage at www.ilsnz.org/pages/funded-repairs

First & Last Name

Email

Phone Number

Address

Equipment type, make and model?

Description of fault/problem needing repair

Please let us know why you may not be able to fund the repair yourself.

How urgent is this repair?
