SUPPLIES WITHIN REACH

A STICKABLE STORAGE SOLUTION

Keep your supplies where you use them most—on your IdeaPaint wall, your desk, or your mobile dry erase board (max weight 10 oz.).

GET A GRIP: EASY TO INSTALL, SAFE TO REMOVE

HUB can be installed two ways: For flexible use, adhere the magnetic mounting plate to your wall and move your HUB when you please. For semi-permanent placement, stick HUB directly to the wall using the double-sided adhesives.

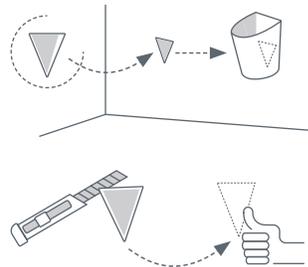

► **INSTALLATION:** Find your perfect spot, peel, and stick. HUB connects to your wall in two ways:

Adhesive Strips (for semi-permanent placement):

Peel, stick to HUB, peel the other side, press firmly to the wall.

Magnetic Mounting Plates (for flexible use):

Peel off backing, press firmly to the wall, stick HUB to plate, grab when needed.

► **REMOVAL:** Slowly peel back to reveal an undamaged wall.

Peel the adhesive strip off the wall—you may need to carefully use a blade. Rub away any residue.
