IDEAPAIN T PREFERRED PAINTS & PRIMERS

We recommend use of the below primers & topcoat paints under IdeaPaint products. Any product not listed is not recommended. Ideapaint should be applied over a 100% acrylic Primer and topcoat paints. Do not use primers and topcoats containing vinyl, oil or alkyd. A tray with a disposable liner with lines (not the bubble kind) is recommended for best application. **DO NOT USE A BUCKET WITH A SCREEN, THAT WILL INTRODUCE AIR AND CREATE BUBBLES!**

PREFERRED WHITE PRIMERS:

- [IdeaPaint White PRIMER](#)
- Sherwin-Williams Multi-Purpose
- PPG Seal Grip
- PPG Paints Gripper
- Kelly-Moore Kel_Bond295
- Vista Paint CareFree Prime-Zall
- Kilz Premium Primer
- Ben Moore Fresh Start 046
- Dulux Trade Super Grip
(UK/EU only)

PREFERRED TOPCOAT PAINTS:

For use under Create Clear or when changing the color of the wall. Create Clear should only be applied over a 100% acrylic topcoat paint with a semi-gloss or gloss finish.

- California Paints Fres~Coat Premium Interior Paint & Primer or Ultra Aquaborne Ceramic Interior Paint
- Sherwin-Williams Solo, Duration, Harmony, or Emerald
- PPG: Manor Hall or Pure Performance
- Ben Moore: Regal or Regal Select
- Kelly Moore: Durapoxy 1685, Acryplex 1650
- Vista Paint 8400 Carefree
- Behr Ultra
- Valspar Signature
- Dulux Trade Diamond (UK/EU only)

PREFERRED CLEAR PRIMERS:

For use when applying Create Clear over egg-shell, flat, or matte paint, or when applying Create Clear over topcoat paint that is not 100% acrylic or acrylic latex (ie. Vinyl)

- [IdeaPaint Clear PRIMER](#)
- Kilz Klear Primer
- Zinsser BIN Clear Primer

Ideapaint Clear PRIMER should never be applied over any primer. It must be applied over a topcoat paint.
