

## **My Dream Party Shop**

**My Dream Party Shop offers a balloon installation service in Ruislip and surrounding areas including Denham, Eastcote, Gerrards Cross, Hayes, Ickenham, Northwood, Pinner and Uxbridge. Our Balloon menu shows you a range of balloon decorations that we can provide at your home, office or venue.**

**The price is shown is based on the basic design. The price for larger items on frames includes delivery in Ruislip (and this will be indicated on that page in the description). Additional surcharges may be applicable for adding flowers, signs or for delivery outside of Ruislip.**

**For home based parties our air filled balloon installations can be installed the day before your event. This works well if you are likely to be short of time on the day of the event.**

**For hire items, including balloon frames, flowers and leaves and props, we will ask for a security deposit to ensure that our hire items are returned to us and to cover us in case of any accidental damage. This will range from £50.00 to £200.00 depending on the amount of items hired.**

**A £50.00 non refundable booking fee is required to confirm a date for an installation. This means that we will turn away other bookings for that date and time slot. Final payment is due 5 days prior to your installation as preparation work will commence in advance of the day.**

**We also offer smaller balloon items that can be collected if you wish to keep costs down. We offer collections from 10.00 up to 19.00 6 days a week and offer morning and late afternoon collection slots on Sunday's. We add hi-float to all our latex helium balloons which extends their float time from 20 hours to 3 - 5 days or longer meaning that helium bouquets can be collected the night before your event.**
