FEATURES

- Multi-Fire® SL Flame Effect**
Large, high-contrast flames feature a multi-layered color effect that creates a sense of depth.
- Media Accent Colors**
Choose from a variety of brilliant color themes or cycle through a range of colors using the custom mode, selecting on the hue of your choice.
- Customizable Flame**
Choose from orange, blue, and yellow flames or from the combined multi-color flame themes. Adjust the speed of the flame to create the perfect atmosphere to suit your mood or room. Color settings can be controlled independently or combined in one of the seven preset options.
- Full Viewing Area**
A slim size doesn't mean sacrifice. This smart design delivers an impressive viewing height of 14" and includes mirror technology that creates a grand illusion of depth.
- Slim Design**
Installs flush into a 2"x4" wall for a seamless look or can be wall-mounted (bracket included) for quick and easy installation.
- Flush Framing**
Removable factory-installed trim allows finish material right to the edge for a clean, flush finish.
- Ambient Light Sensor**
Automatically adjusts firebox light to suit the room day to night.
- Powerful Heating**
Powerful fan-forced heater provides on demand heat for up to 1,000 square feet. Can be used as primary or secondary heat depending on room requirements.
- Heat Management**
Enjoy the ambiance of a fire during the warmer months by deactivating the heater via the controls, or hard disconnect the heater during installation where heat is not required.
- Smart Self-Diagnostics**
Integrated self-diagnostics that simplify troubleshooting and improve service.
- Hardwire or Plug-in**
Hardwire to 120V power supply or purchase an optional 120V plug-in cord kit (PLFXSPLUG).
