

Model Code F2619

date of issue 30-06-20 revision 01
revision of 24-03-21 (the present replaces any previous versions)

Designer: Centro studi calia

Structure: beech-wood, multilayer and metal, covered with a protective thermo-bonded textile fabric coupled with cloth.

Spring system: elastic webbing

Seat Padding: seat cushions in ecologic polyurethane foam covered with micromax (high resilient synthetic fiberfill).

Back Padding: backrests (879) and maxi backrests (AG6) in ecological polyurethane foam covered with micromax ((high resilient synthetic fiberfill), internally weighted down.

Arm Interior: armrest (870) in ecological polyurethane foam covered with micromax ((high resilient synthetic fiberfill), internally weighted down.

Removability: entirely removable fabric coverings, loose cushions on leather versions. The base features always removable coverings.

Sewing: cuts and sewing on leather coverings differ from cuts and sewing on microfiber coverings (line drawings show cuts on leather versions). All coverings (leather, fabric and microfiber) feature a decorative sewing called n. 8_1 AGO (needle) on seat cushions, backrests and armrests, also available with contrast stitching in the colors available.

Components: end "terminal" versions feature a prolonged area of the sofa base, that can be used as a support surface. "Coffee table terminal" versions are also equipped with a coffee table element in metal with graubraun finish; alternatively, with a price upcharge, it is also possible to choose among the following finishes: satinized, titanium and copper. Layer table with marble texture effect or, upon request and with a price upcharge, in glass with bronze finish.

Standard feet: the model is lifted 16 cm off the floor and features PM2155 feet, h. 13.5 cm, in metal with copper finish, also available with shiny, satinized, titanium and graubraun finish.

Please note: leather covers come in combination with Ginevra, a soft, suede-effect microfiber fabric. Fabric Ginevra entirely covers the base of the model. The color of the Ginevra fabric is not always identical to the color of the leather; it does however match with it ("tone-on-tone"). Alternatively customers may choose the desired color match and indicate their color choice on the order. Colors available for this article are shown in a designated Ginevra's folder.

Density of seat and back

Markets	Seat	Back
I	35 Medium	30
D - NL - CH		
USA - California		
GB	37 fire retardant	37 fire retardant
Others	35 Medium	30

Note: when no values/contents are specified in the chart, please refer to "Others" field/area.
