# Kriss

Designer: Maurizio and Silvia Varsi

Kriss is a collection consisting of the bed and coordinated accessories, a concept that focuses on the contrast and perfect harmony of fascinating materials: the elegant softness of fabric combined with the traditional solidity of wood. The wooden structure becomes a visible and characterizing element, while the cushions composing the headrest provide

extra comfort. The result of a continuous aesthetic evolution, the refined combinations of fabric and wood suggest the will to create elegant shapes and solutions, enhancing the qualities of both materials, giving a warm, welcoming and exclusive look. In addition to the double bed, a bench is also available in the Kriss collection.
