

BONALDO

Passy

Designer: Fabrice Berrux

The style of the coffee tables designed by Fabrice Berrux sums up a discreet elegance that is both structural and functional at the same time while drawing attention to a number of sophisticated details, most noticeably, the metal "chessboard" structure that can be glimpsed under

the glass top. The coffee table is available in different formats including square, rectangular and circular, which allow you to create countless furnishing solutions and combinations.
