Assembly Instructions

Two or more people are recommended for easy assembly

1. Carefully unpack the contents of the carton and start assembly close to the final intended position.

2. Screw 2 x flanges to 2 x 5cm pipes

3. Screw couplings to each pipe as shown then lightly (2 turns/threads) screw 5cm pipes to each coupling

4. Insert one shelf onto the 5cm pipes then insert Couplings to each protruding 5cm pipe. Tighten the Couplings ensuring a strong union at both ends.
