Black coupling		20	Black pipe 30cm		8	<b>Timber Included</b> 5 x shelves		

### Tools Needed:

1 x Phillips Screwdriver (Not Provided)

### Rustic Weathered

### Assembly Instructions

Two or more people are recommended for easy assembly

1. Carefully unpack the contents of the carton and start assembly close to the final intended position.

2. Screw the bottom flanges to the 10cm pipes

3. Screw couplings to each pipe as shown then lightly (2 turns/threads) screw 5cm pipes to each coupling

4. Insert one shelf onto the 5cm pipes then insert Couplings to each protruding 5 cm pipe. Tighten the Couplings ensuring a strong union at both ends.

---

### Assembly Instructions Continued

5. Screw 30cm pipes to each coupling

6. Repeat above steps 3, 4 & 5 until all 5 Shelves are added to the unit.

7. After inserting the last shelf onto the 5cm Pipes, screw a coupling then a 10cm pipe to each End followed by a 90 degree elbow, then screw a 10cm Pipe to the elbow and a wall flange to the 10cm pipe.

8. Fix the flanges to the wall and if required the floor via The floor flanges. The floor flanges are not mandatory. Use anchors if needed.

9. Assembly is complete

---

### Care Instructions

1. Clean Periodically by wiping with a soft clean dry cloth
2. Do not use abrasives cleaners, chemical cleaners, or metal polishes, as they may damage the finishes

### Important Safety Instructions

Young children may be injured by tipping furniture and proper installation of the mounting hardware for this item is highly recommended. When properly installed, this mounting hardware should be tested for strength with a view to providing protection against unexpected tipping of this furniture piece.

If you have any queries or concerns during assembly, please email [hello@acumencollection.co.uk](mailto:hello@acumencollection.co.uk) and a member of Acumen Collection will either reply with further instruction or call to help you.

Enjoy your new furniture.

Kind Regards

Acumen Collection
