

WATER & LIGHT PLANT SHOP LAUNCHES U.S. SHIPPING

COMPANY SIGNS FIRST DROPSHIPPING AGREEMENT

Ridgewood, Queens – December 27, 2018 – Water & Light Plant Shop, a new business located in the restored Ridgewood Theater Building in Ridgewood, Queens, NYC opened its doors this past June and has since been steadily growing its list of customers and notable clients.

While the company has offered local plant delivery for several months, the company has recently launched its nationwide shipping offering within the contiguous U.S. Customers may now order hard to find items from their One of a Kind page as well as classic houseplant favorites such as this ZZ Plant covered by New York Magazine in its The Strategist holiday gift guide.

Since offering U.S. shipping, the company has signed an agreement with online retailer One Kings Lane to dropship plants to their customers directly from their shop in Queens, and is in discussions with several other large online retailers to do the same.

Water & Light Plant Shop is located in NYC at 788 Cypress Avenue near the Myrtle-Wyckoff L/M stop and is currently open Friday through Sunday from 11am to 7pm.
